## Wellness Center Olympus

Dear Guest, as already in use since the distant times in which these Spas were born, we indicate some indispensable rules for the best use of the SPA area, respecting your well-being and that of the other Guests present.

- Enter the area with your clean body
- Use bathcap in the tub
- Enter the sauna or Turkish bath wearing a bathing suit and leaving your slippers outside
- Do not stay in the hydromassage tub for more than 10 consecutive minutes to avoid sudden drops in pressure
- Always speak in a low voice
- The use of electronic devices is not permitted in the area adjacent to the pools and inside the centre's premises. In other areas we ask you to keep the ringer volume low and speak in a moderate tone of voice
- Entry to the SPA is not permitted for children under 14 years of age
- We invite parents to manage their children's noise and tone of voice and to monitor their behavior. We invite you to avoid behavior that may disturb other guests.
- Silver objects tend to oxidize in contact with air and thermal water but can be cleaned simply using a common silver product.
