

# Welcome to the little friends

For some time now we have decided to open the doors of Hotel Terme di Stigliano to our little four-legged friends who, for many of us, are an integral part of the family. In order to avoid inconveniences in coexistence, we have drawn up a regulation for the permanence of small animals in our facility, in compliance with current legislation and a civil and peaceful coexistence between guests.

## **Pets allowed and spaces allowed**

Animals are only allowed in a limited number of areas which can be accessed via specific routes. During transit on these routes, animals must be kept on a leash and, if necessary, muzzled. Animals can freely use the dedicated areas and the thermal pool reserved for them from 9am to 8pm.

Only pets, such as dogs and cats, are allowed, for which a supplement of €25 per day for each animal is required. Pets allowed will be able to use the guest's room and common areas inside the Hotel Terme di Stigliano.

They can use externally the dedicated thermal pool, a large fenced green area for walking and the Dog Shower. They will also be able to circulate and park on a leash in all external areas of the hotel, but not in the vicinity of tubs and swimming pools..

It is forbidden to leave animals unattended inside the structure or in reserved areas. The customer is required to immediately remove any excrement left by their pet in all areas of the facility.

The customer is responsible for the animal's behavior and is directly responsible for any damage or injury to people, things or animals within the dedicated spaces, of the accommodation facility as well as in the immediate vicinity of the same. The customer undertakes to indemnify, hold harmless and protect the accommodation facility or the staff connected to it from any request for compensation, indemnity or reimbursement of damages, costs and expenses (including legal ones) connected to injuries or damage caused by the pet . At the end of the stay, an inspection of the dedicated units will be carried out. In the event of damage or destruction of any equipment (furnishings, kits, objects, fabrics, etc.), the €50 deposit issued to the facility at check-in will be retained. Terme di Stigliano also reserves the right to request further compensation once the damage caused has been quantified.

ART. 3 - Responsibility and indemnity obligation of the customer Hotel Terme di Stigliano reserves the right to call back the customer if he defaults a some of the obligations deriving from the previous ones articles 1,2 and 3 and move it away from the structure.
